PROJECT

Egygrafx Corporate Website

Full multi-page B2B website for Egygrafx — a large-format printing solutions distributor serving Egypt & the Middle East. Covers 8 main sections: Home, About, Products (12+ supplier brands), Applications (9 industry categories), Solutions, Consumables, Service, and Contact.

DESCRIPTION	QTY	AMOUNT
Website in 72 Hours — base package. Custom UI/UX design, responsive mobile-first build, SEO-optimized structure, contact form & analytics, unlimited revisions, deployed on Google Cloud Run Servers. Stack: React, HTML/CSS, Formspree, Vercel.	1	\$300.00
Extended multi-page architecture — 9-section navigation structure (Home, About, Products, Applications, Solutions, Consumables, Service, Contact) with consistent layout system, sub-page templates, and internal linking.	1	\$150.00
Supplier & brand directory pages — structured pages for 12+ supplier brands (ORIC, HP, BYDi, JHF, Monti Antonio, GBOS, DGI, LDP, MagicJet, WitColor, Infiniti, Summa, Neolt) with spec layouts and supplier links.	1	\$120.00
Applications & Solutions category pages — 9 industry verticals (Home Textile, T-Shirts & DTG, Carpet & Rugs, Signage & Display, Wall Covering, Outdoor Advertising, Packaging & Labeling, Automotive CAD/CAM, Promotional) with product-to-application mapping.	1	\$100.00
Consumables section — Inks, Paper & Film, and Spare Parts sub-pages with clean product listing layouts.	1	\$50.00

Integration of a secure, enterprise cloud database (Firestore NoSQL) to store all machinery, brands, and consumables. Includes a custom-built administrative content dashboard with secure user authentication (Clerk Auth), enabling the Egygrafx marketing and sales teams to add, edit, and archive machine specs and stocks in real-time with zero coding	1	\$450.00
---	---	----------

Interactive customer inquiry configurator on product pages, allowing B2B buyers to select custom widths, printhead configurations, and ink setups. Integrates automated PDF brochure triggers to the buyer and sends immediate, qualified hot lead sheets to the Egygrafx sales desk.	1	\$280.00
---	---	----------

Subtotal	\$1,450.00
----------	------------

Tax / VAT (0.5%)	\$7.25
------------------	--------

Total	\$1,457.25
-------	------------

TIMELINE

25–30 business days from asset delivery & database schema sign-off

PAYMENT TERMS

30/30/40 — staged payments across project milestones

"Thank you for the opportunity to propose this web platform. Transitioning Egygrafx from legacy listings to an application-driven lead generation asset will directly capture qualified sales inquiries and empower your team with complete, self-managed inventory control. Excited to partner on this modern rebrand!"
